About Global Asset

Global Asset prides herself as boutique fund house in providing investors with the straight-forward market investment channels to global equities, foreign exchange, IPOs and major asset class. Global Asset eliminates the need of multiple investment platforms – giving both professional and novice investors an all-in-one investment designation. Our strong client focus, disciplined investment processes and dedication to innovation have established Global Asset in the ever-competitive fund market.

We provide investment management services that help institutions and individuals succeed in markets all over the world. We are a truly global firm that combines the benefits of worldwide reach with local service and relationships.

We deliver expertise, scale, trust and the strength of our client experience. Our values of client focus, integrity, teamwork and excellence guide the decisions we make and transactions we process.

About Skylight by Global Asset

SKYLIGHT
by GLOBAL ASSET

With the engagement of multiple International Financial Licensed Entities, Skylight commemorates the birth of a new interesting era in our financial space.

Skylight is an actively managed SPV that targets a diversified portfolio of trading, pre-IPO, private equity, private placement, IPO structured products and finance leasing. Through these vehicles, the SPV objective is to have (a) regular interval income generated from trading and financial leasing activities and (b) mid-term capital appreciation via pre-IPO, private equity, private placement and IPO structured products.

Incorporating the essential investing expectations all-in-one, Skylight is truly designed for today's discerning clients.
